EXPERIENCE

Head of Operations | Tensorbot Innovations Pvt. Ltd. Oct 2024 - Sep 2026

- Delivered 10 IoT, embedded systems, AI and automation projects for 10 clients, leading rotating teams of 2 to 3 engineers.
- Reduced project delivery time by 40% (50 days to 30 days) by implementing project tracking and task management.
- Developed an in-house ERP for projects, inventory, procurement and accounts, adopted by 20 staff.
- Evaluated and selected 10 to 15 vendors and suppliers for client projects; developed 15 SOPs.

- Delivered 7 paid embedded systems workshops to 260 students and developed 2 LMS courses of 5 modules each.

Head of Operations | The Atomic - Noster Associates Pvt. Ltd. Sep 2022 - Sep 2024

- Managed the facility as sole manager, reaching 90% occupancy (450+ people, 20+ companies) within 12 months.
- Managed client onboarding, renewals and collections, supporting about AED 2.5 million revenue over 2 years and retaining 100% of members.
- Managed 8 vendors and 10+ contractors on maintenance and preventive maintenance.
- Coordinated 10+ on-site staff across housekeeping, security and front desk.
- Conducted monthly, quarterly and annual fire safety inspections and 2 fire drills a year, and passed the fire and safety department inspection.
- Reported weekly to the Directors on 5 areas: occupancy, revenue, expenses, budget and maintenance.
- Developed 20 SOPs and implemented Zoho CRM, training the team on it.

Operations Manager (Interiors) | Noster Associates Pvt. Ltd. Mar 2020 - Aug 2022

- Delivered 7 office interior fit-out projects worth about AED 2.3 million, all on time and within budget, coordinating at least 8 contractors and vendors on each.
- Delivered the fit-out of The Atomic, a 40,000 sq ft coworking space (about AED 1.2 million).
- Built the civil structure for an oxygen plant at a government medical college within 1 month during COVID.

Lead Organizer | Bloombloom Dreambiz Pvt. Ltd. May 2018 - Dec 2019

- Managed a 30,000 sq ft, 450-seat coworking space with 250 users.
- Reduced housekeeping material use by 60% and electricity use by 30%.
- Managed 8 vendors and 10+ maintenance contractors and conducted 2 fire drills a year.
- Developed 15 SOPs.

Operations Assistant | Aeriot Home Automation Oct 2017 - Apr 2018

- Designed system architecture for about 10 smart home projects using third-party products.
- Supported day-to-day project operations for a team of about 10 on smart home projects.

Trainer | Academy for Career Excellence and Research, Palakkad Apr 2016 - Dec 2016

- Trained a batch of 40 students over 9 months.
- Delivered training sessions at the academy in Palakkad, Kerala.
